

Sun City Festival Hiking Club
HIKE DESCRIPTION FORM

Hike Name: Big Reef Mill Trail (SHORT) -- Bradshaw Mountains

Location: Castle Hot Springs Road, about 12 NE of Morristown

Hike Description: Hike is along abandoned mine roads, hiking/equestrian/motor bike trail, and several hundred yards cross country Mill/Mine Site. Route is unsigned but is easy to follow. At various points along the trail you can see the Big Reef Mill "hopper", White Tank Mountains. Hike is 1.5 – 2 miles.

Rating: Easy - Medium due to grade.

Type: Out and Back

Trail Name(s): Big Reef Mill Trail -- Bradshaw Mountains

Length – Miles and Time: 1.5 - 2 miles and 1.5 hours

Trailhead Start and End: Castle Hot Springs Rd, 12.6 miles from Morristown, dirt road entrance on left side of road. Not marked. Stay of left trail.

Elevation Change: 200 ft.

Travel Directions: West on 60 to Castle Hot Springs Road (Morristown), right on Castle Hot Springs Road approximately 12.6 miles to trail head on left (No official parking lot; off road parking). NOTE: Castle Hot Springs road is paved for about 2 miles, then it becomes graded dirt. It is generally even but the last mile or so can be "wash boardy". (Multiple cars were seen on the road.) SUV or truck suggested.

Travel Time: 45 min - 1 hour

Parking: Yes

Rest Rooms: None
